Hickey & Co
Pty. Ltd.

**Hickey & Co is now one of the only
authorised service agents for Ferno
Mortuary Products in Australia.**

After completing a very intensive Ferno service training course in 2003, three of our staff are now authorised to service all of your Ferno equipment.

Whether it's a sticky clip on your Church Truck, a loose wheel on your No.11 folding stretcher, to a complete overhaul of your No.24 one-man cot; no job is too big or too small. We can also offer a subscription to our discounted annual service program.

For service and enquiries call us on **1800 64 68 68**
(or **02 9564 1888** in Sydney)
and we'll get the ball rolling.
